Project Specification No. 01

By and between

The University of Zürich
Center of Dental Medicine
Clinic of Reconstructive Dentistry
Plattenstrasse 11, 8032 Zurich, Switzerland
(hereinafter referred to as "UZH")

And

M.A.Rangoonwala College of Dental Sciences & Research Centre
Azam Campus 2390-B, K.B, Hidayatulla Rd, Camp, Pune, Maharashtra 411001, India
(hereinafter referred to as "MARDC")

UZH and MARDC (the "Parties") entered into a Master Research Agreement (the "Master Research Agreement") on 18th May 2020 that governs the establishment of defined research projects (the "Projects/Studies") between the Parties. The Parties wish to enter into such a Project/Study as detailed in Appendix A attached hereto as, which shall be termed "Evaluation of patient reported outcome measures and clinical performance of implant supported overdentures with two different attachment systems: A randomized cross over clinical study" ("Study").

1. Scope of agreement

This agreement is intended to be a "Project Specification" for purposes of the Master Agreement for Sponsored Research. Signature of this Project Specification by authorized representatives of UZH and MARDC as of the Effective Date (as defined below), demonstrated that it has been approved by both Parties.

2. Compensation

In consideration of MARDC's role in the execution of its tasks in the course of the Study, UZH will pay MARDC the amount specified in Appendix B.

3. Timetable and Reporting

The Study shall commence on June 30th 2020 and be completed on October 31st, 2027.

MARDC shall provide UZH with regular written reports on the status of the Study every 6 months. Within sixty (60) days after the completion or termination of a Study, MARDC shall provide UZH with copies of all laboratory data (if applicable) and results relating to the Study ("Records") including a final report summarizing the data and results ("Report").

4. Effective Date, Term and Termination

This Agreement is effective ("Effective Date") commencing on the date that it is executed by all the Parties. In the event that all the Parties do not execute this Project Specification on the same date, then this Project Specification is effective commencing on the date that the last Party executes it.

This Project Specification shall expire upon completion of the Study.

Either party may terminate this Project Specification upon any anniversary date by giving the other Party six (6) month's prior written notice of its election to terminate.

IN WITNESS WHEREOF, the Parties hereto have caused this Project Specification to be executed by their duly authorized officers or representatives.

Compensation

UZH shall pay to MARDC the following amount:

CHF 13'130 (incl. any overhead and VAT) based on the fact that CHF 505 will be paid per patient and approximately 26 patients will be recruited. The final amount will be adjusted based on the total number of recruited patients. Additionally, 500 CHF will be transferred in order to cover the EC fee and are included in the first payment milestone.

The payments will be made according to the following milestones:

	Payment Milestones	Amount (CHF)
1.	After receiving the copy of the EC approval	3'000
2.	After inclusion of all patients	3'500
3.	After patient's treatment is completed (all first abutments installed)	3'500
4.	After collection and entry of all 1-year FU data	1'210
5.	After collection and entry of all 3-year FU data	1'210
6.	After collection and entry of all 5-year FU data	1'210

All fees due to MARDC shall be paid to an MARDC account to be named on the invoice.
