E-mail: info@mardentalcollege.org

Website: www.mardentalcollege.org

3.4.1 Number of extension and outreach activities carried out in collaboration with National and International agencies, industry, community, Government and Non- Governmental Organisations engaging NSS/NCC/Red cross/YRC/institutional clubs etc. during the last five years

Clarification:

Although the Collaborating agency such as Rotatory Club, Lions clubs and Co-op Housing societies are the same but the extension camps have been conducted at different institutes and locations at different time periods.

Also, though the extension activity was conducted in one institute, the time period between two extension activities in the same institute is more than a month.

The authorities of the schools where camps are conducted advise us to split the camps between pre-primary, primary, middle school and higher secondary school. Hence the camps are conducted at intervals at the same school.

So, the extension and outreach activities input by HEI should be considered.
