3.4.2 Authenticated list of participating students

As part of the compulsory rotating internship program as prescribed by DCI and MUHS, BDS students are posted in respective departments for a period of 1-3 months. During their posting schedule, they attend all the extension and outreach activities conducted by that department, in the stipulated period.

As an example, students are posted in the Public Health Dentistry department for a period of 3 months. During their posting it is mandatory for them to attend all camps organized by the department and college. Due to this scheduling the names of students are bound to get repeated in various camps.
