M.A. Rangoonwala College of Dental Science and Research Centre, Pune celebrated its annual sports week-2023 from 27th February to 8th March 2023 with great enthusiasm and camaraderie. The esteemed chief guest for the event was Dr. P.A. Inamdar, President of M.C.E. Society, Pune. The occasion was graced by our Principal, Vice-Principal, Registrar, and members from the teaching and non-teaching fraternity. The Student Organizing Committee, along with a large gathering of students, was present to witness the grand event.

One of the most entertaining and captivating aspects of the event was the field display based on the theme "Kalaedo". Mass student participation in this display brought an extravaganza of colors and vibrancy to the field, creating a wonderful experience. The program featured vivid field displays interspersed with energetic dance performances by both staff and students. Sports Secretary Omkar Prabhu delivered a speech, followed by the vote of thanks given by Joint Sports Secretary Sanskriti Sonkamble.

A variety of sporting events were conducted, ranging from individual to team-based events. This year, a new concept of E-sports was introduced to align with the rising popularity of console-based gaming events. Field and track events took place on 14th October, while indoor events, including badminton, carrom, and table tennis, were held on 10th October. Outdoor events such as football, cricket, box cricket, and street football were organized throughout the week.

The award ceremony concluded the eventful week on 8th March, where medals, trophies, and certificates were awarded to the achievers of various events. The entire experience was surreal, creating lasting memories for all staff members, administrators, and students who contributed to making the program very special.

Members of the Student Organizing Committee and a large gathering of students were present to witness the grand event.

The highlight of the event was the field display based on the theme "Invincibles," featuring mass student participation that added an extravaganza of colors and vibrancy to the field. The event included vivid field displays interspersed with energetic dance performances by both staff and students. Following these performances, a speech was given by the sports secretary, Shaikh Rahim, followed by a vote of thanks given by joint sports secretary Varad Deshpande.

A variety of sporting events were conducted, ranging from individual to team-based events. This year, a new concept of E-sports was introduced to align with the rising popularity of console-based gaming events. Field and track events took place on 14th October, while indoor events, including badminton, carrom, and table tennis, were held on 10th October. Outdoor events such as football, cricket, box cricket, and street football were organized throughout the week.

The award ceremony took place after the eventful week on 18th October, where medals, trophies, and certificates were awarded to the achievers of various events. The experience was surreal, creating lasting memories for all staff members, administrators, and students who contributed to making the program very special.
