- 1. World AIDS Day-** The Department of Oral Pathology and Microbiology on the occasion of World AIDS Day organized a Triple 'O' Series of lecture on AIDS, HIV and its impact in dentistry. It was called Triple 'O' because it included speakers from Department of OMDR, Oral Surgery and Oral Pathology & Microbiology – Dr Vinod, Dr Deepak and Dr Dinraj respectively. This was followed by an address by Principal Dr Ramandeep Dugal to sensitize the audience about HIV.
- 2. 78th Birthday celebration of Dr P. A. Inamdar Sir** MARDC Pune celebrated the 78th birthday of our beloved Shri Dr P. A. Inamdar Sir, President M. C. E Society. The celebrations started on 27th of December and continued till 29th December and were an amalgamation of social work, festivities and many events.

1. 20th Anniversary Celebrations M.C.E. Society's M.A. Rangoonwala College of Dental Sciences and Research Centre.

M.A. Rangoonwala College of Dental Science and Research Centre, Pune completed 20 glorious years on 21st November, 2021. To commemorate this occasion, a number of events were organized by the college.

1. Free Dental check-up camp. (10th, 11th, & 13th Dec 2021)
2. Cultural and sports fest (14th Dec 2021)
3. Function for felicitation of staff. (22nd Dec 2021)

1. A free **dental check-up camp** was organized in the college on three days, where free dental check-up was done for all the patients along with educating them regarding oral hygiene and importance of oral health. The details of the camp were advertised in a number of local newspapers; banners were put up; and pamphlets were also distributed so that maximum people could benefit from this camp. The camp was inaugurated on 10th December, 2021, by the Honorable President of MCE society, Shri Dr. P.A. Inamdar in the presence of the staff and students of the college. The camp was a huge success and a total of 633 patients availed the facilities.

2. Cultural and sports fest (14th Dec 2021) : **Celefiesta 21.**

Keeping in mind the pandemic regulations, the day started off with a cultural program presided over by the president of MCE society, Honorable Shri Dr. PA. Inamdar. This program was marked by enthusiastic participation from both

PRINCIPAL

SCIENCES & RESEARCH CENTRE, PUNE**

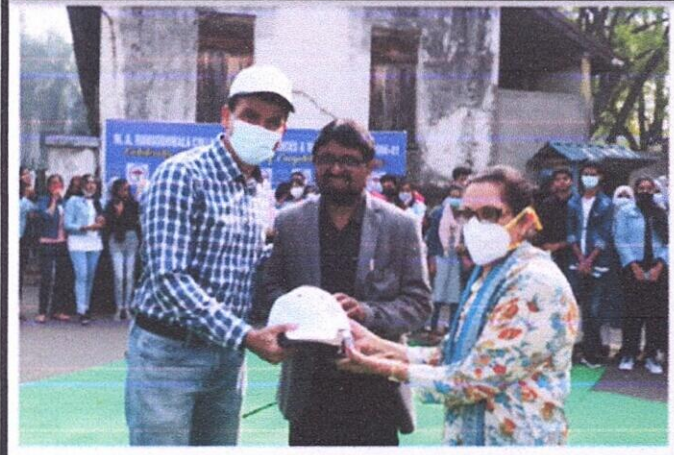

the staff and students, where many song and dance performances were put up. This was followed by a T-20 cricket match between staff and students which included some alumni students as well. Although, the students were victorious, the staff definitely put up a paralleled performance with zeal. This was followed by lunch for all students and staff.

3. Function for Celebration of 20 glorious years of MARDC (22ndDec 2021):

A function was organized by MARDC in the A. R. Shaikh Assembly Hall of Azam campus to celebrate its 20th anniversary. The vice president of MCE Society, Mrs. Abeda P. Inamdar was invited as the chief guest, and the Honorable President of MCE Society, Shri Dr. P.A. Inamdar presided over the function. The function included an address by the beloved principal of MARDC, Dr. Ramandeep Dugal; a slide-show presentation, showcasing the journey of MARDC from inception to date; and lighting of the lamp by the dignitaries. The President and Vice-President of MCE Society cut a cake and shared their valuable thoughts in their addresses to the gathering. The highlight of the function was the felicitation of all the staff of MARDC who have served the institution for 18 years and above. The function ended with high-tea being served to all.

2. 16TH Convocation Ceremony :

The 16th Convocation Ceremony was hosted by M.C.E Society's M. A. Rangoonwala College of Dental Sciences and Research Centre, Pune-01 at The Pavilion, Azam Campus for the graduating Batch of Interns of the year 2021. The event began with a magnanimous count of almost 100 graduating interns walking towards their positions in the intern's march which was led by their Principal, Dr. Ramandeep Dugal. The dignitaries included Chief guest, Shri. Dr. P.A. Inamdar (President, M.C.E Society), Guest of honour, Mrs. Abeda P. Inamdar (Vice-President, M.C.E Society) Principal-Dr. Ramandeep Dugal, Vice-Principal-Dr. Vivek Hegde, Registrar-Mr. R.A.Shaikh. Head of departments, staff members, proud parents and the graduating interns were also a part of the ceremony. The event was hosted by Dr. Rashmi Hegde, Cultural head. The event saw its beginning by invoking an undying tradition of remembering the almighty at the beginning of the event as Mr. Abdul Rahim recited the prayer. This was followed by display of a short video showing glimpses of the 20 glorious years that the institution completed in the month of November, 2021. The dignitaries were then called up for lighting of the lamp ceremony.

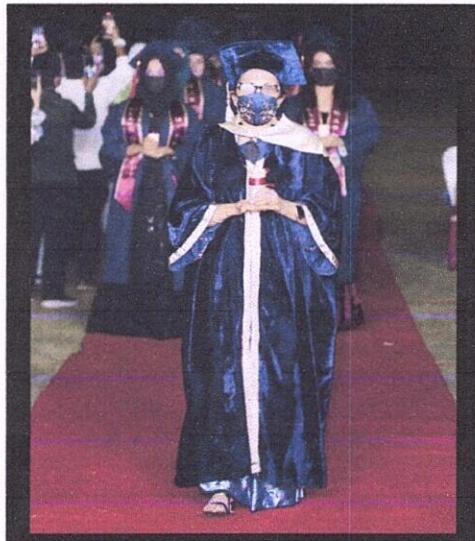

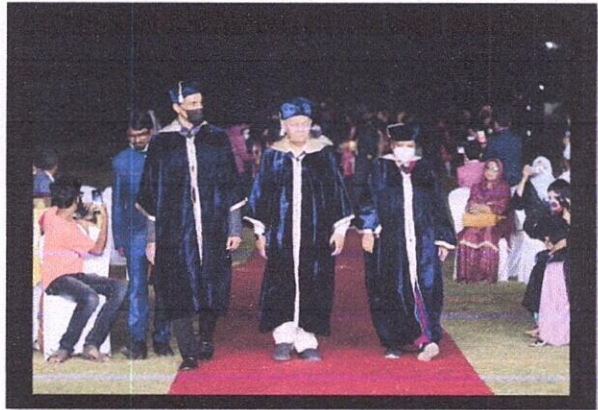

The Principal, Dr. Ramandeep Dugal then addressed the gathering with her kind words and also took utmost pride and joy in announcing the accomplishments of the institution and its students over this journey of 2 strong decades. The Vice-principal, Dr. Vivek Hegde also shared his words of wisdom and not only congratulated the new graduates but also made them realise the additional responsibilities that come along with their degrees. The young graduates were equally enthusiastic in sharing their success stories from the institution as they bid the institution a final goodbye. The dignitaries were thereon introduced and felicitated. The event also exhibited some power speeches by the President, M.C.E Society,

Shri. Dr. P.A. Inamdar and Vice-President, M.C.E Society, Mrs. Abeda P. Inamdar. This was then followed by the most awaited moment for the entire audience, the Oath Taking Ceremony. A magnanimous 100 graduates walked up with utmost pride and took the Hippocratic Oath under the guidance of their Principal. The event was then followed by the distribution of certificates and mementos to the graduating interns and also felicitating the meritorious students for their exemplarily performance over the years. The students were also felicitated with certain Special Awards, wherein Dr. Anam Mohammad Irfan Kacchi received the award for the Best Outgoing Student and for her Highest Attendance as she was successful in maintaining her 1st position throughout her 4 academic years and also bagged awards under 7 categories on the

3. World Cancer day celebration

On the sunny morning of 4th Feb, world cancer day, the staff and students of Dept. of Oral Medicine & Radiology participated towards enlightening the society about the causes and effects of cancer.

Not only did staff and students of our college wear ribbons as a sign of unity but we also had a rangoli decoration at our entrance as a symbol of support for the fighters and survivors of cancer of all types.

The introductory speech was given by Sakina Dawoodi, Cultural Secretary which was followed by a skit prepared by our very own local actors including Saba Khan, Sale Salem, Rahim Shaikh, Khadija Tapiya, Aarthi Sharma, Akanksha Menon, Ayesha Shaikh, Afreen Shaikh, Muskan Shaikh. The skit held at our college entrance caught everyone's eye and thus created an awareness amongst all. Dr. Rohit (post graduate student in OMDR) shared his experiences about the different cases treated at our college.

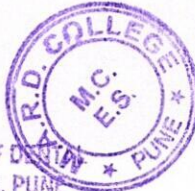

After a heartwarming speech by our honorable President Dr. P. A. Inamdar we released balloons as a token of hope for the patients and appreciation for doctors and researchers who are striving everyday to fight this battle of cancer. The event was concluded by Dr. Nikhil Diwan by giving the vote of thanks and all this being captured not only in our lenses but also in our hearts.

4. World oral health day

The Department of Periodontology and Implantology celebrated World Oral Health Day on 22nd February 2022. It started with the inauguration ceremony by our Principal Dr. Ramandeep Dugal ma'am and our Registrar Mr. R.A. Shaikh sir. The HOD of Department of periodontology and implantology Dr. Sangeeta Mughlikar ma'am felicitated Dr. Ramandeep Dugal ma'am and Mr R.A Shaikh sir. Dr. Rashmi Hegde ma'am felicitated our Vice Principal Dr. Vivek Hegde sir. Dr. Sangeeta Mughlikar ma'am enlightened us on the importance of oral health through an informative lecture. A series of online competitions like Poster competition, Slogan competition, Selfie competition, Reels competition were conducted. Miss. Sofia Chaudhary secured the first position in poster making competition.

Miss. Nehan Shaikh stood first in slogan competition while Miss. Nayeera Patel bagged the first position in selfie competition as well as Reels competition. The event was concluded by prize distribution ceremony where the winners were given a small token of appreciation along with certificates.

6. International Women's Day Celebration

M.C.E. Society's M. A. Rangoonwala College of Dental Sciences and Research Centre, Pune hosted a grand celebration on the occasion of International Women's Day at the Assembly Hall, Azam Campus Pune on the 9th of march, 2022. The theme of the day was to bring out the inner diva in us and shines bright like a diamond in shimmer and glitters.

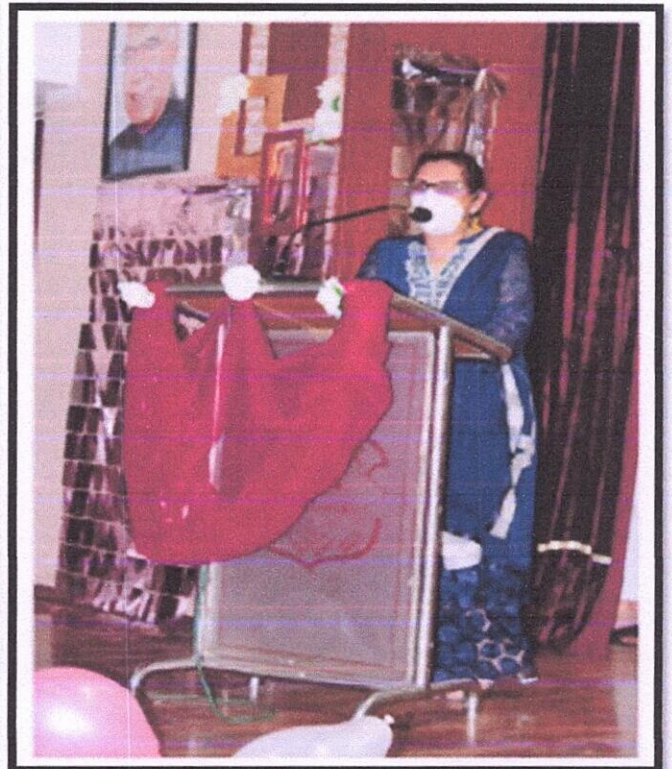

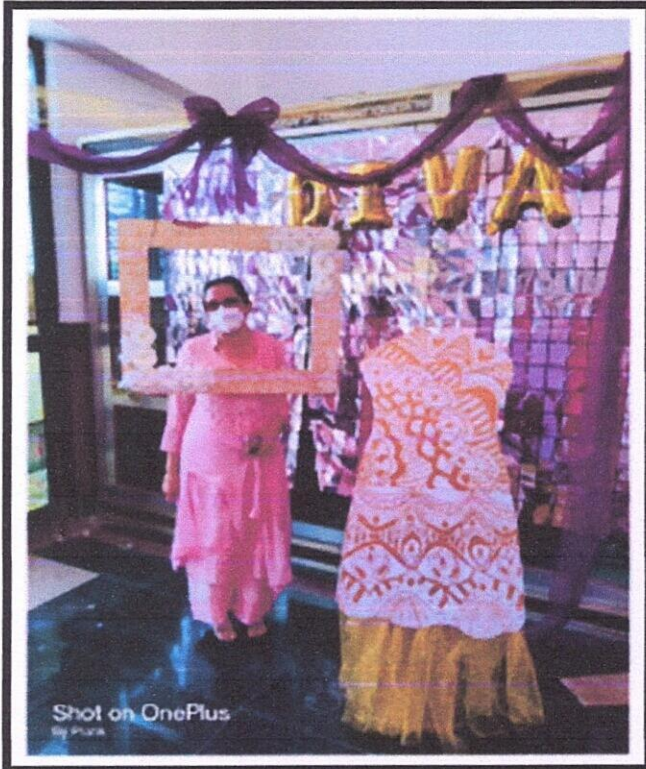

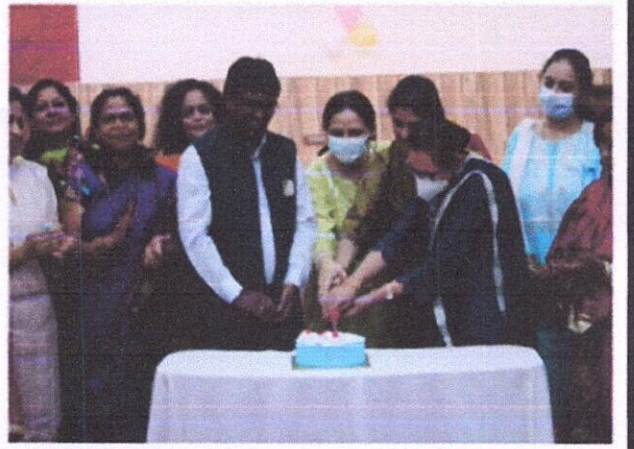

The event was hosted by Miss. Sakina Dawoodi, Cultural Secretary. This was followed by felicitating our Principal Dr. Ramandeep Dugal by Khadija Tapiya, Research Secretary and Class Representative Ayesha Suse.

The gathering was then addressed by our beloved principal to who we look up to as our role model. The event began with the cake cutting ceremony to celebrate not only the women but to rejoice all the phases a woman have to go through and the myriad roes she has to portray. This was headed by the presence of our beautiful women staff flaunting their inner divas by walking the red carpet. They were honored by a beautiful rose given by our principal and were welcomed with a round of applause and flower petals showered upon them. After finishing with the welcoming event, the informal event began which consisted of performances by our in-house student talent. The audience got to experience a beautiful shayari performance by Mr. Rahim Shaikh.

This was followed by a meaningful dance performance by our non-teaching staff Mrs. Zaida Shaikh from the department of public health dentistry and was later followed by a power packed performance by our very local actors, the interns which were based on woman empowerment. The event was followed by the much awaited fun part that consisted of a few rounds of games which made the day amusing and interactive. The day was then concluded by giving a gift bag as a token of appreciation to all the teaching and non-teaching female staff members of our college along with snacks and refreshments.

7. National Doctors Day Celebration

M.C.E Society's M. A. Rangoonwala College of Dental Sciences and Research Centre, Pune hosted a celebration on the Occasion of National Doctors Day on 1st July, 2022. Since a day is not enough to celebrate our Doctors we decided to carry on the celebration for a week which commenced on 1st July and will conclude on 7th July 2022. On the morning of 1st July, we began our day with a warm welcome to all our doctors who have contributed to the society through their work. There was a surprise welcome with a rose handed to them by school children from the campus with verbal recitation of "Happy Doctors Day" and each child with gleaming eyes and aspiration lauded the doctors. Seeing so much love from the children, and their innocent eyes lifted their spirits even more and proved to be the true highlight of the day. On the 7th of July, we had a formal function which was addressed by our principal Dr. Ramandeep Dugal, sharing her views on the importance of this day along with tributes to the medical profession and motivation to the faculty and students alike. This was followed by our Vice principal Dr. Vivek Hegde and Registrar Mr. R. A. Shaikh sharing a few words and congratulating the doctors. Our motto for the event - "Saluting your Service to Mankind". The college Foyer was decorated by rangoli and thematic decoration. The event was hosted by Sakina Dawoodi, Cultural Secretary. We began the event by felicitating our beloved Principal Dr. Ramandeep Dugal and bestowing upon her the outstanding achievement and performance by doctors felicitation. The first event of the day was a poster competition with the enthusiastic participation of our under graduate students based on the theme- Life in the day of a Doctor! We then displayed a small video of our staff where they told us the experience of being a doctor and what it means to them along with a video made by our aspiring doctors depicting the journey and the struggle it takes to become one. The videos surely took us down the memory lane. This was also followed by some cultural performances by students and faculty members. The photographs taken on these days don't do justice to the emotions felt. Truly "Yeh Shaam thi doctors ke Naam" for those who continually serve and "Service to mankind is service to God".

On the 8th of July, we extended our doctors day celebration by visiting the Prem Nivas Old Age Home and Taiyyabi Orphanage. To promote social and environmental values and also to provide a sense of closeness to nature, and good health, the NSS unit of our college planned a tree plantation drive to different outdoor locations during this week.

8. Tree plantation drive held at M. A. Rangoonwala College of Dental Sciences & Research Centre, Pune - 01 under M.U.H.S. Day

Maharashtra university of health science day (MUHS day) was celebrated at M.A. Rangoonwala Dental College and Research Centre on 10th June'22 with great enthusiasm. A tree plantation drive was organized by college NSS unit on the auspicious occasion of 75th anniversary of 'Azadi ka Amrit Mahotsav.' the main objective of this event was to inculcate environmental awareness among students and to incorporate environmental social governance by the college.

The event commenced from 10 am onwards. All the students, teaching and non-teaching staff members gathered near the assembly area. Flag hoisting was done by our respected principal Dr. Ramandeep Duggal and Registrar Shri R. A. Shaikh. Following it, MUHS. anthem was played. Tree plantation drive started from 10:30 am onwards. The students and staff members selected empty spaces in the college garden and verandah to plant saplings in a well organised way. The saplings were supplied by Pune Municipal Corporation. In order to restore the eco balance, an a forestation drive was taken with all seriousness. The first sapling was planted by our principal Dr. Dugal followed by registrar Mr.R A. shaikh and members of staff. A total of 25 saplings were planted by first year undergraduate students under initiative of 'One Student One Tree.' they were instructed to nurture them till the completion of their graduation and then hand them over to the new students. Every step of the program was appreciated by the administration. The program created a great stir among general public too.

Such little steps taken together by the college and students will surely help in fostering strong mental and social health amongst students so that they can connect with their peers, their elders, their community and their environment.

9. Lecture on International Educational Prospects

DATE: 29th August, 2022.

M. A. Rangoonwala College of Dental Sciences and Research Centre, Pune organized a special lecture on International Educational prospects after BDS. This lecture was delivered by the team of IDP Pune. The motive of this lecture was to guide the undergraduate students about different career options and to shed light on various scholarships, loans, entrance exams required to practice abroad. Dr. Ajit Koshy head of Oral Pathology Department addressed the gathering and warmly welcomed the guest speakers of the day. The lecture commenced with Mr. Yogesh Ranga giving us a brief introduction about opportunities different countries provide regarding higher education. It was followed by different counselling sessions by Ms. Leena Mohile, Ms. Vinaya Ballal and Mr. Rahul Kamble the business development manager of IDP pune. This was concluded by an interactive session between the guest speakers and the students clearing their doubts and questions. The lecture was concluded with Dr. Rashmi Hegde presenting the vote of thanks.

12. Cleanliness drive held under Swachh Bharat Abhiyaan 2022

“Swachh Bharat Abhiyaan” and “Majhi Vasundhara Abhiyaan” was organized at M.A. Rangoonwala Dental College and Research Centre by the college NSS unit and dept. of Public Health Dentistry on the auspicious occasion of 75th Anniversary of ‘Azadi ka Amrut Mahotsav.’ The main purpose of this event was to create awareness among students regarding cleanliness and its benefits.

The program commenced from 9 am. Our honorable President Shri P A Inamdar and our Principal Dr. Ramandeep Duggal felicitated the dignitaries present and briefed them about the event. Cleanliness drive started 9:30 am onwards. Students along with staff members were asked to clean the campus along with bylanes of Shankar Seth Road. Students were divided into two groups with one group leading the drive at the campus and other group at Shankar Seth Road. Some of them picked up the brooms and started their job. Others were assigned the task of waste disposal. It was followed by speech given by Varad Deshpande, Joint Sports Secretary pertaining to the movement of Swachh Bharat Abhiyaan and its significance.

This program was graced by Mrs. Asha Raut, deputy commissioner, Solid Waste Management, Pune Municipal Corporation and Dr. Ketaki Ghatge, assistant health officer, Pune Municipal Corporation. Mrs. Raut shared her valuable insights about the drive and importance of sanitation. At 11 am, a short lecture on waste disposal management was given by Dr. Ghatge. It was followed by an interactive musical performance by Mr. Mahadev Jadhav, brand ambassador for Swachh Bharat Mission, PMC. The main motto of this musical act was to create an awareness regarding cleanliness and encourage the students to do the same. Following this, PMC employees and sanitary workers were felicitated and thanked them for their contribution towards keeping our city neat and clean.

The students really felt a sense of satisfaction after doing their bit towards making their country a little cleaner.

14. On the 3rd of March 2022, M. A. Rangoonwala College of Dental Sciences and Research Centre, Pune along with the fire department, Pune Municipal Corporation conducted fire drill.

The time taken for a fire to start and spread is extremely short and thus we must be equipped as well as have the knowledge of how to use the equipment. This was the main goal of the drill. Station Officer Mr. Gore from the Fire Department, Pune Municipal Corporation was felicitated along with his colleagues, for their brave roles. The demo took place at the entrance of our college where we were explained about the different extinguishers and their function. We were taught about how to keep the direction of wind in mind while putting out a fire. Our staff Dr. Sangeeta Muglikar and Dr. Yusuf Chunawala took an initiative to put out as mall fire under the guidance of the fire department. The interns and non teaching staff were also allowed to practice the same.

Following the demonstration we were shown the functioning of the fire truck and how the water is supplied in various forms to put out fire. For example, a water curtain that curtails the spread of fire.

We concluded the event with an interactive session with Mr. Gore in our Oral pathology lecture room. We had a lot of learning to take back with us along with some fun-filled pictures.

The academic session for the Interns of the Batch of 2019 began from 11th September 2019. The academic activities began with department postings where all the interns were posted in rotations for a period of one month. The student council was formed on 20th September 2019 with Shruti Biyani being elected as the Cultural Secretary, Viren Birmal as the Sports Secretary, Sakina Rampuri as the Research Secretary and Anam Kacchi as the General Secretary for the year 2019-2020.

The first event organized during the academic year was International Radiology Day which was celebrated on 8th November 2019. The entire faculty and the students in college joined in to celebrate this day with complete enthusiasm. The theme of the day was black and white along with rangoli competition, poster presentation and a few lectures demonstrating the importance of radiology in the field of dentistry.

6. INTERNATIONAL WOMEN'S DAY

Women's Day Celebration was an annual event celebrated on 8th March to honor the achievements and contributions of women in various fields. It served as a platform to recognize women's rights, gender equality, and the progress made towards empowering women worldwide. During Women's Day, Principal Dr. Ramadeep Dugal addressed the gathering and various events, seminars, and activities were organized to inspire, educate, and support women faculty in their personal and professional lives. It was a time to celebrate our women dentists and their accomplishments, acknowledge their resilience, and advocate for a more inclusive and equal society. Women's Day reminded us to appreciate the invaluable role women played in shaping our families, communities, and the world.

The Academic Session for the Batch of 2019 Interns

The academic session for the interns of the Batch of 2019 marked the start of an exciting journey as they embarked on their internship program.

Department Postings: As part of the academic activities, all the interns were posted in rotations across various departments for a period of one month. This provided them with a well-rounded learning experience, allowing them to gain exposure to different areas of their field of study.

The Student Council Formation: The following individuals were elected to key positions within the council:

- Cultural Secretary: Nabilah Kazi
- Sports Secretary: Shoeb Shaikh
- Research Secretary: Janvi Tanna
- General Secretary: Sakina Rampuri

Each of these individuals played an instrumental role in representing the interests and concerns of their fellow interns, as well as organizing various events and activities throughout the academic year.

1. Teacher's Day Celebration

The first event organized during the academic year was Teacher's Day, which was held on 5th September 2018. The celebration was a memorable occasion that aimed to appreciate and honor the hard work and dedication of our teachers. The Teacher's Day celebration served as a wonderful start to the list of events in the academic year, setting the tone for a year filled with appreciation, camaraderie, and personal growth.

Dress Code: Formal Attire

For this special event, a formal dress code was followed, with gentlemen wearing ties to add a touch of elegance and professionalism to the occasion.

Fun Games and Snacks

To make the day even more enjoyable, fun games were organized for everyone to participate in. These games provided a platform for interns to showcase their talents and skills outside of their academic pursuits. Refreshments were provided during the celebration, with an assortment of snacks and delicious brownies being offered to everyone in attendance.

Heartfelt and Inspiring Speeches

One of the highlights of the Teacher's Day celebration was the delivery of heartfelt and inspiring speeches. Interns took the opportunity to express their appreciation and gratitude towards the teachers who have played a significant role in their academic journey.

2. Oral Hygiene Day Celebration

On 1st August 2018, Oral Hygiene Day was celebrated with full enthusiasm and zeal in our college. The college foyer was decorated with colorful and thematic rangoli to emphasize the importance of maintaining good oral hygiene.

3. Free Dental Check-up Camp

In line with the theme of Oral Hygiene Day, the Department of Periodontology and Oral Implantology organized a free dental check-up camp for all the patients. This provided an opportunity for them to get their dental health checked, and diagnose any possible issues or early signs of dental problems.

The Oral Hygiene Day celebrations, along with the lecture and free check-up camp, provided valuable knowledge and insights about the significance of oral health and hygiene. It was a positive step towards increasing awareness and promoting good oral health practices among the interns.

10.Culturals'19 – Yaariyan

To deepen the bond between best friends, a delightful activity was organized where they dressed in matching outfits, showcasing their camaraderie and friendship. The event also featured an exciting band making competition, allowing groups of friends to showcase their musical talents and create unforgettable melodies together. Adding a touch of culinary creativity, a twisted tale of cooking unfolded, challenging participants to prepare unique and unconventional dishes. This engaging activity sparked laughter and friendly competition as friends explored their culinary skills with a twist. To satisfy the taste buds, food hunts were arranged, providing an adventurous experience as friends searched for delectable treats and hidden culinary gems. Quizzes about food and related topics added an intellectual element, testing the knowledge and wit of participants. Through these engaging activities, the event fostered a sense of unity, celebration, and enjoyment among friends, creating lasting memories and strengthening the special bond between them.

16.Convocation 2019

The academic year culminated with the highly anticipated convocation ceremony, marking a significant milestone for the graduating students. The ceremony was graced by the esteemed presence of Dr. Christoph Hammerle, a distinguished lead Clinician and Researcher in Implantology, as well as the Head of the Reconstructive Clinic at the University of Zurich, Switzerland. His remarkable achievements and global reach in the field of education added great honor to the occasion. During the convocation, the graduating students imbibed the great words as addressed by the Chief guest and took the Hippocratic oath, symbolizing their commitment to upholding the principles and ethics of their chosen profession. Dressed in their graduation regalia, they radiated enthusiasm and readiness to embark on their respective journeys, equipped with the knowledge and skills gained throughout their academic pursuits. The significance of this convocation ceremony was recognized by the wider community, as it was even featured in a newspaper article by The Times of India, highlighting the achievements and success of the M. A. Rangoonwala Dental College's 14th convocation ceremony. This recognition further emphasized the importance of the event and the dedication of the students and faculty involved.

1. E-Poster Competition for Advances in Oral Hygiene Aids:

An E-Poster competition was organized in the department of Periodontology, to showcase the latest advancements in oral hygiene aids on the occasion of Oral Hygiene day. The competition provided a platform for dental students and interns to present their innovative research and ideas related to oral hygiene aids through interactive electronic posters. Participants utilized digital media to highlight the effectiveness, usability, and potential impact of their inventions. The competition encouraged healthy competition and fostered knowledge sharing among the participants, promoting advancements.

2. Colgate Lecture:

The Colgate Lecture took place in MARDC, featuring renowned speakers in the field of dentistry and drew a large audience of dental professionals, researchers, and students. The esteemed speaker Dr. Muglikar, shared valuable insights and expertise on various topics related to oral health and dental care. Attendees had the opportunity to broaden their knowledge, gain new perspectives, and stay updated with the latest trends and research findings in dentistry. The colgate lecture proved to be an enriching experience, promoting continuous learning and professional growth among the attendees.

3. Check-up Camp for PMC Workers:

A thoughtful initiative, a check-up camp specifically designed for PMC (Pune Municipal Cooperation) workers was organized. The camp aimed to provide comprehensive dental check-ups and necessary treatments to hardworking PMC employees. The camp was set up at PMC main branch, Shivajinagar, allowing convenient access for the workers. A team of experienced dentists, post graduate students and interns, along with the hygienist and nurse volunteered their services to conduct thorough oral examinations, performed oral prophylaxis and addressed any oral health concerns. The check-up camp not only prioritized the oral well-being of the PMC workers but also served as a means to create awareness about dental health and encourage preventive care

4. Cultural Week- Jashn 2018

The Cultural Meet 2018 was an exceptional gathering that celebrated the diverse and vibrant tapestry of cultures from India. The event provided a platform for people to come together, witness traditions, and create meaningful connections. The atmosphere was electric, with a kaleidoscope of colorful costumes, mesmerizing music, and tantalizing aromas filling the air. From lively dance performances to captivating art exhibitions, the Cultural Meet 2018 showcased the richness of the food and traditions of India, in the form of Swades and a vibrant Dandiya. Different themes such as fictional Frozen, Paws and Claws, tropical Paradise funfair, etc. were the highlights. Students, staff and spectators alike embraced the opportunity to appreciate and learn from one another, fostering a sense of unity and respect.

5. Lumière – official magazine 2018.

Lumière "translates to "light." It is a noun representing the natural or artificial illumination that allows visibility.

The magazine showcased a wide range of topics, including art, culture, lifestyle, and current trends. Its pages were filled with insightful articles, thought-provoking interviews, and captivating photographs that brought stories to life. Lumière became a trusted source of inspiration and information, providing readers with a glimpse into the world of dentistry, design, and entertainment.
