**SUBJECT:** Request for co-operation in adherence to Single Use Plastic Ban according to latest Government Regulations

Sir,

I am writing formally for your support in adhering to the Government Regulations on the Single Use Plastic ban, amended July 2023.

As the dean of Dental College and as part of our commitment to CLEAN AND GREEN CAMPUS, I am committed to ensure that the regulations on plastic ban are complied with on our dental college premises and request your support in ensuring the same.

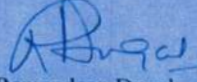

We believe that a considerable amount of students and staff use your facilities and together we can ensure regulations are met.

Accordingly, we have prepared a simple infographic which will be useful to know the updated list of banned items and alternatives for your referral.

I kindly request your support in this matter and helping us achieve PLASTIC FREE ZONE at the dental college and in Azam campus.

Thanking you for your co-operation.
