2. All staff must dress in a modest way on campus.
3. The staff hold the responsibility of maintaining the general discipline of the campus and anything that is seen inappropriate should be reported to the Principal.
4. During pre-clinic and clinical hours, staff should make sure that students improve on their dexterity, patient management and clinical skills.
5. All the teachers should abide by the Code or professional ethics for University and College Teachers stipulated by the UGC and the other statutory bodies from time to time.
6. They should respect dignity and rights of all individuals and treat all students equitably, regardless of race, ethnicity, gender, religion or background.
7. Avoid favouritism and ensure fair assessment and evaluation of students' performance.
- 8.Foster a supportive learning environment that encourages active participation and intellectual growth.
9. They should seek to make professional growth continuous through study and research.
- 10.They should maintain active membership of professional organizations and strive to improve education and profession through them.
11. Be open to offering extra help and guidance to struggling students.
12. They should refrain from inciting and instigating students against other students, colleagues, or administration.
13. They should aid students to develop an understanding of our national heritage and national goals.
- 14.They should treat members of the profession in the respectful manner as they themselves wish to be treated and address conflicts in constructive and respectful manner.
15. Collaborate as a team to ensure the smooth functioning of the institution.
16. Support and mentor new or junior staff members, helping them integrate into college community.

17. They should refrain from availing themselves of leave except on unavoidable grounds and as far as practicable with prior intimation, keeping in view their responsibility for completion of academic schedule.

18. Treat all guardians with respect, courtesy, and professionalism in all interactions and maintain open and transparent communication with guardians regarding their child's academic progress, behaviour and overall development.

19. Engage with local community and actively participate in initiatives that promote social welfare, education and environmental sustainability.

20. Contribute positively to society, preparing students to become responsible, informed and compassionate individuals who actively contribute to the betterment of the community and the world.

Code of conduct for patients

1. Respectful Behaviour: Patients should treat staff of the College and fellow patients with respect and courtesy at all times. Avoid using offensive language, making inappropriate jokes, or behaving aggressively.

2. Punctuality: Patients should arrive on time for their appointments to minimize disruptions to the dental practice schedule. If unable to keep an appointment, it is courteous to inform the dental office well in advance.

3. Personal Hygiene: Maintain good personal hygiene by brushing and flossing teeth regularly, and consider freshening up before appointments.

4. Honesty and Full Disclosure: Provide accurate and complete information about their dental and medical history, medications, allergies, and any health conditions that may affect dental treatment.

5. Payment and Financial Responsibilities: Patients should fulfil their financial obligations promptly and communicate any concerns or issues related to billing or insurance in a respectful manner.

6. Compliance with Treatment Recommendations: Follow the dentist's advice regarding treatment plans, oral hygiene practices, and lifestyle changes to improve oral health.

7. Maintain Regular Dental Check-ups: Schedule and attend regular dental checkups as advised by the dental professional for preventive care and early detection of dental issues.

8. Notify About Changes in Health Status: Inform the dental office if there are any changes in your health or medical conditions between appointments, as this may impact your dental care.

9. Communication: If you have questions or concerns about your dental treatment, communicate openly and respectfully with your dental provider for clarification or adjustments.

10. Children and Minors: Parents or guardians are responsible for supervising children and minors during dental visits, ensuring their cooperation, and complying with dental staff instructions.

11. Rescheduling and Cancellations: Give sufficient notice if you need to reschedule or cancel an appointment, as this allows the dental office to accommodate other patients in need of care.

12. Confidentiality and Privacy: Respect the privacy of other patients and dental staff by not sharing confidential information about their treatments or conditions.

13. Dental Office Rules: Adhere to the rules and policies of the dental office, including restrictions on smoking, chewing gum, or using mobile phones during treatment.

Code of conduct for Visitors

1. Respect for Academic Environment: Visitors should maintain a quiet and respectful demeanour while on the college campus, especially in areas where classes, lectures, or research activities are taking place.

2. Check-In Procedures: All visitors must check in at the designated reception area and follow any specific guidelines provided by the college staff.

3. Appropriate Attire: Dress appropriately for the educational and professional setting.

4. Restricted Areas: Respect and adhere to any restricted areas or signs indicating private or off-limits spaces within the college premises.

5. Confidentiality and Privacy: Maintain confidentiality and respect the privacy of students, faculty, and patients. Avoid sharing sensitive information or taking photographs without permission.

6. No Disruption of Activities: Refrain from disrupting classes, lectures, clinics, or any ongoing activities within the college.

7. Visitor Etiquette in Patient Areas: Visitors must be particularly mindful and quiet when in patient care areas, as to not disturb patients or dental professionals during treatments.

8. Supervision of Children: If visitors bring children, they should supervise them at all times and ensure that they do not disturb the educational environment or pose any safety risk.

9. Compliance with Instructions: Follow any instructions provided by college staff, faculty members, or security personnel promptly and without hesitation.

10. Alcohol, Drugs, and Smoking: The use of alcohol, illegal drugs, or smoking is strictly prohibited within the college premises.

11. Respect for Property: Treat all college property, equipment, and facilities with care and respect. Any damage caused should be immediately reported to college staff.

12. Observe Infection Control Measures: If visiting clinical areas, adhere to infection control measures, including hand hygiene and sanitation protocols.

13. No Solicitation: Avoid any form of solicitation, promotion, or marketing activities within the college premises without prior approval from the college administration.

14. Leaving the Premises: Visitors should exit the college premises promptly at the designated closing time.
