MCE SOCIETY
M.A. RANGOONWALA COLLEGE OF DENTAL SCIENCES AND RESEARCH CENTRE, PUNE
STRUCTURE FOR ORIENTATION FOR FRESH STUDENTS

• **Welcome and Introduction:**

- The orientation program at M.A. Rangoonwala College of Dental Sciences and Research Centre, serves as an essential introduction for new students entering the college.
- It aims to provide a warm welcome and offer insights into the college's history, values, and achievements.

• **Academic Overview:**

- Faculty members present an overview of the academic framework, including curriculum, courses, and grading systems.
- Interactive sessions help students understand the significance of each subject and the practical application of theoretical knowledge.

• **Campus Tour:**

- Guided tours are organized to familiarize students with the campus facilities, including dental clinics, laboratories, lecture halls, libraries, and recreational areas.
- Students gain insights into the college's IT infrastructure and access to online resources.

• **Extracurricular and Co-curricular Engagement:**

- Various student clubs and associations showcase their initiatives, encouraging newcomers to participate in sports, cultural events, community service projects, and research activities.
- This exposure promotes holistic growth and provides opportunities for networking.

• **Support Services:**

- The orientation emphasizes college support services such as mental health and well-being resources.
- Information on scholarships, financial aid, and student counseling services is shared to address personal, academic, and financial concerns.

• **Peer Mentorship:**

- Senior students share their experiences, offering advice on time management, study techniques, and college life.
- This mentorship fosters camaraderie and provides reassurance to new students.

• **Ethics and Policies:**

- An interactive session covers college policies, including attendance regulations, ethical guidelines, and codes of conduct.
- The importance of upholding professional and ethical standards in dentistry is highlighted.

- Additionally, the college emphasizes its anti-ragging policy and zero tolerance for misconduct of any form, ensuring a safe and respectful environment for all students.

- **Sense of Belonging:**

- The orientation program culminates in helping students feel part of a supportive community.
- Students are made aware of available resources to help them excel academically and personally.

- **Networking Opportunities:**

- The program encourages interactions among fresh students, seniors, faculty, and staff.
- Networking opportunities provide a platform for building connections that can prove beneficial throughout their academic journey.

- **Holistic Growth:**

- By covering academic, extracurricular, and support aspects, the program promotes holistic growth.
- Students are prepared not only for academic success but also for personal and professional development.

In summary, the "Orientation for Fresh Students" at M.A. Rangoonwala Dental College is a well-rounded program that introduces new students to the college's ethos, resources, and expectations. Through academic guidance, campus tours, peer mentorship, and support services, the program ensures that students transition smoothly into their college journey while fostering a sense of community and holistic growth.

PROGRAM REPORT: FIRST-YEAR ORIENTATION

Date: September 20th, 2018

Venue: Classroom No. 204

Summary:

The First-Year Orientation Program at M.A. Rangoonwala Dental College, conducted on September 20th, 2018, played a pivotal role in acquainting new students with the campus environment and resources. This event aimed at cultivating a sense of belonging and community among the incoming students. The program featured comprehensive academic overviews, guided campus tours, interactive student engagement sessions, information on support services, and valuable insights from peer mentorship initiatives. Challenges encountered during the orientation were effectively addressed, resulting in a successful event.

The overwhelmingly positive feedback received from participants serves as a testament to the program's triumph. This positive response not only validates the efforts invested in organizing the orientation but also serves as motivation for its continued improvement and enhancement in future iterations.

PROGRAM REPORT: FIRST-YEAR ORIENTATION

Date: Wednesday 9th October, 2019

Venue: Classroom No. 204

Summary:

In an effort to warmly welcome and integrate new students into the M.A. Rangoonwala Dental College community, the First-Year Orientation Program was held on October 9th, 2019, in Classroom No. 204. This event served as a key milestone, introducing incoming students to the campus environment and essential resources.

Highlights of the program included informative academic overviews, illuminating campus tours, engaging student interactions, insights into support services, and the valuable inclusion of peer mentorship. Challenges encountered were skillfully navigated, contributing to the overall success of the program.

Participant feedback overwhelmingly expressed satisfaction and appreciation for the organized and insightful orientation. This positive response fuels our commitment to the continual improvement and enrichment of future orientation programs, ensuring an even more impactful experience for incoming students.

PROGRAM REPORT: FIRST-YEAR ORIENTATION

Date: April 18th, 2022

Venue: Classroom No. 204

Summary:

An orientation program for 1st BDS students was held at M.A. Rangoonwala College of Dental Sciences & Research Centre, Pune, in the Common Seminar Room. The program commenced at 10 a.m. on April 18, 2022, with the registration of first-year B.D.S. students. Subject in-charges from the Department of General Anatomy, Department of Physiology & Biochemistry, and Department of Dental Histology & Microbiology were present at the program. Dr. Yasmeen Zubairy addressed the students, delivering a detailed presentation on all the departments and facilities, such as the library, hostel, canteen, and sports facilities, available at the institute. She provided information about the B.D.S. course, including year-wise subjects. Dr. Zubairy also discussed the scope of Dentistry, future programs post-B.D.S., hostel facilities, and the application process. After the program, students were instructed to visit the student section to complete any remaining formalities. The program concluded with an oath-taking ceremony. Students were also reminded to refer to details about the Code of Conduct for Students posted on the website.

PROGRAM REPORT: POST GRADUATE ORIENTATION

Date: May 28th, 2018

Venue: Classroom No. 204

In a resounding success, M.A.Rangoonwala Dental College hosted its First Year Orientation Program on May 28th, 2018, at Classroom No. 204. This event was not just a routine introduction but a holistic initiation for newly enrolled postgraduate students. The program aimed to acclimate them to the vibrant campus life, providing a detailed overview of the academic journey that lay ahead.

The highlights of the orientation program were diverse and well-thought-out. Academic overviews offered insights into the postgraduate curriculum, while engaging campus tours acquainted students with the state-of-the-art facilities and resources available. Opportunities for student involvement were emphasized, encouraging active participation in extracurricular and academic pursuits. Support services were introduced, ensuring that students were aware of the resources available to assist them in their academic endeavors. Peer mentorship added a personal touch, establishing connections between new and experienced students.

The success of the program was reflected in the overwhelmingly positive feedback received from participants. Their testimonials underscored the effectiveness of the orientation in making them feel welcomed, informed, and ready to embrace the challenges and opportunities of their postgraduate studies. This positive response not only validated the efforts put into organizing the orientation but also provided valuable insights for further improvements in future editions.

PROGRAM REPORT: POST GRADUATE ORIENTATION

Date: July 4th, 2019

Venue: Classroom No. 204

Embarking on a journey of academic excellence, M.A.Rangoonwala Dental College orchestrated a triumphant First Year Orientation Program on July 4th, 2019. The event unfolded in Classroom No. 204, transforming the space into a hub of information, engagement, and community-building for the newly enrolled postgraduate students.

The program aimed to seamlessly integrate students into the college community by providing them with a detailed roadmap of their academic expedition. Comprehensive academic overviews ensured that students were well-versed with the postgraduate curriculum and expectations. Engaging campus tours familiarized them with the college's top-notch facilities and created a sense of belonging. Opportunities for student involvement were highlighted, emphasizing the importance of participating in various aspects of campus life.

One of the standout features of the orientation was the emphasis on peer mentorship. Established students took on the role of mentors, guiding and supporting their newly enrolled counterparts. This initiative not only facilitated a smooth transition for the newcomers but also fostered a sense of camaraderie within the student community.

The overwhelmingly positive feedback received from participants affirmed the success of the program. Participants expressed gratitude for the comprehensive introduction, acknowledging that it played a pivotal role in easing their apprehensions and setting the stage for a successful postgraduate journey.

PROGRAM REPORT: POST GRADUATE ORIENTATION

Date: August 3rd, 2020

Venue: Classroom No. 204

On August 3rd, 2020, M.A.Rangoonwala Dental College marked the commencement of a new academic chapter with the First Year Orientation Program in Classroom No. 204. The program unfolded as a comprehensive journey, providing fresh postgraduate students with a detailed roadmap of their academic expedition.

The academic overviews were thorough, offering insights into the intricacies of the postgraduate curriculum. Engaging campus tours allowed students to explore the college's cutting-edge facilities and familiarize themselves with the academic environment. Opportunities for student involvement were presented, emphasizing the importance of active participation in various aspects of campus life.

A noteworthy aspect of the orientation was the emphasis on peer mentorship. Senior students played a crucial role in guiding and supporting their newly enrolled counterparts. This initiative not only facilitated a smooth transition but also created a sense of community and camaraderie among students.

The overwhelmingly positive feedback received highlighted the success of the program in providing a holistic introduction to postgraduate life. Participants expressed appreciation for the efforts invested in making them feel welcomed, informed, and ready for the academic challenges that lay ahead.

INTERNSHIP ORIENTATION PROGRAM REPORT

Date: February 5th, 2019

Venue: Class Room No. 204

Purpose: To prepare Final-year B.D.S. students for their clinical internships.

Program Highlights:

The Internship Orientation Program held on February 5th, 2019, at M.A Rangoonwala Dental College in Classroom No. 204 marked a significant and thorough initiative directed at preparing final-year B.D.S. students for their upcoming clinical internships. The program covered a wide spectrum of crucial components, offering an introduction to clinical practice, guidance on professional responsibilities, and insights into the ethical aspects of dental care. Demonstrations of clinical procedures, a focus on safety protocols, and discussions on interdisciplinary collaboration contributed to a comprehensive and enriching learning experience. The orientation facilitated student-faculty interactions, case discussions, and a dedicated Q&A session, fostering a supportive and informative atmosphere. The program aimed to equip interns not only with practical skills but also with a patient-centric and ethical approach to clinical practice, laying a robust foundation for a successful internship journey.

Purpose: To prepare Final-year B.D.S. students for their clinical internships.

Program Highlights:

The Internship Orientation Program held on September 5th, 2018, at M.A Rangoonwala Dental College in Classroom No. 204 marked a significant and thorough initiative directed at preparing final-year B.D.S. students for their upcoming clinical internships. The program covered a wide spectrum of crucial components, offering an introduction to clinical practice, guidance on professional responsibilities, and insights into the ethical aspects of dental care. Demonstrations of clinical procedures, a focus on safety protocols, and discussions on interdisciplinary collaboration contributed to a comprehensive and enriching learning experience. The orientation facilitated student-faculty interactions, case discussions, and a dedicated Q&A session, fostering a supportive and informative atmosphere. The program aimed to equip interns not only with practical skills but also with a patient-centric and ethical approach to clinical practice, laying a robust foundation for a successful internship journey.

INTERNSHIP ORIENTATION PROGRAM REPORT

Date: September 11th, 2019

Venue: Class Room No. 204

Purpose: To prepare Final-year B.D.S. students for their clinical internships.

Program Highlights:

Conducted on September 11th, 2019, at Classroom No. 204, the Internship Orientation Program at M.A Rangoonwala Dental College was a significant initiative for final-year B.D.S. students, gearing them up for their imminent clinical internships. Covering a diverse array of vital elements, the program introduced students to clinical practice, provided guidance on professional responsibilities, and delved into the ethical dimensions of dental care. Demonstrations of clinical procedures, a strong emphasis on safety protocols, and discussions on interdisciplinary collaboration added depth to the educational experience. The orientation offered students opportunities to engage with supervising faculty, participate in case discussions, and seek clarification through a dedicated Q&A session. With its supportive and informative approach, the program aimed to not only impart practical skills but also instill a patient-centric and ethical perspective in students, laying a solid groundwork for a successful internship journey.

PROGRAM REPORT: FIRST-YEAR ORIENTATION

Date: September 20th, 2018

Venue: Classroom No. 204

Summary:

The First-Year Orientation Program at M.A. Rangoonwala Dental College, conducted on September 20th, 2018, played a pivotal role in acquainting new students with the campus environment and resources. This event aimed at cultivating a sense of belonging and community among the incoming students. The program featured comprehensive academic overviews, guided campus tours, interactive student engagement sessions, information on support services, and valuable insights from peer mentorship initiatives. Challenges encountered during the orientation were effectively addressed, resulting in a successful event.

The overwhelmingly positive feedback received from participants serves as a testament to the program's triumph. This positive response not only validates the efforts invested in organizing the orientation but also serves as motivation for its continued improvement and enhancement in future iterations.

PROGRAM REPORT: FIRST-YEAR ORIENTATION

Date: April 18th, 2022

Venue: Classroom No. 204

Summary:

An orientation program for 1st BDS students was held at M.A. Rangoonwala College of Dental Sciences & Research Centre, Pune, in the Common Seminar Room. The program commenced at 10 a.m. on April 18, 2022, with the registration of first-year B.D.S. students. Subject in-charges from the Department of General Anatomy, Department of Physiology & Biochemistry, and Department of Dental Histology & Microbiology were present at the program. Dr. Yasmeen Zubairy addressed the students, delivering a detailed presentation on all the departments and facilities, such as the library, hostel, canteen, and sports facilities, available at the institute. She provided information about the B.D.S. course, including year-wise subjects. Dr. Zubairy also discussed the scope of Dentistry, future programs post-B.D.S., hostel facilities, and the application process. After the program, students were instructed to visit the student section to complete any remaining formalities. The program concluded with an oath-taking ceremony. Students were also reminded to refer to details about the Code of Conduct for Students posted on the website.

PROGRAM REPORT: POST GRADUATE ORIENTATION

Date: May 28th, 2018

Venue: Classroom No. 204

In a resounding success, M.A.Rangoonwala Dental College hosted its First Year Orientation Program on May 28th, 2018, at Classroom No. 204. This event was not just a routine introduction but a holistic initiation for newly enrolled postgraduate students. The program aimed to acclimate them to the vibrant campus life, providing a detailed overview of the academic journey that lay ahead.

The highlights of the orientation program were diverse and well-thought-out. Academic overviews offered insights into the postgraduate curriculum, while engaging campus tours acquainted students with the state-of-the-art facilities and resources available. Opportunities for student involvement were emphasized, encouraging active participation in extracurricular and academic pursuits. Support services were introduced, ensuring that students were aware of the resources available to assist them in their academic endeavors. Peer mentorship added a personal touch, establishing connections between new and experienced students.

The success of the program was reflected in the overwhelmingly positive feedback received from participants. Their testimonials underscored the effectiveness of the orientation in making them feel welcomed, informed, and ready to embrace the challenges and opportunities of their postgraduate studies. This positive response not only validated the efforts put into organizing the orientation but also provided valuable insights for further improvements in future editions.

PROGRAM REPORT: POST GRADUATE ORIENTATION

Date: July 4th, 2019

Venue: Classroom No. 204

Embarking on a journey of academic excellence, M.A.Rangoonwala Dental College orchestrated a triumphant First Year Orientation Program on July 4th, 2019. The event unfolded in Classroom No. 204, transforming the space into a hub of information, engagement, and community-building for the newly enrolled postgraduate students.

The program aimed to seamlessly integrate students into the college community by providing them with a detailed roadmap of their academic expedition. Comprehensive academic overviews ensured that students were well-versed with the postgraduate curriculum and expectations. Engaging campus tours familiarized them with the college's top-notch facilities and created a sense of belonging. Opportunities for student involvement were highlighted, emphasizing the importance of participating in various aspects of campus life.

One of the standout features of the orientation was the emphasis on peer mentorship. Established students took on the role of mentors, guiding and supporting their newly enrolled counterparts. This initiative not only facilitated a smooth transition for the newcomers but also fostered a sense of camaraderie within the student community.

The overwhelmingly positive feedback received from participants affirmed the success of the program. Participants expressed gratitude for the comprehensive introduction, acknowledging that it played a pivotal role in easing their apprehensions and setting the stage for a successful postgraduate journey.

PROGRAM REPORT: POST GRADUATE ORIENTATION

Date: August 3rd, 2020

Venue: Classroom No. 204

On August 3rd, 2020, M.A.Rangoonwala Dental College marked the commencement of a new academic chapter with the First Year Orientation Program in Classroom No. 204. The program unfolded as a comprehensive journey, providing fresh postgraduate students with a detailed roadmap of their academic expedition.

The academic overviews were thorough, offering insights into the intricacies of the postgraduate curriculum. Engaging campus tours allowed students to explore the college's cutting-edge facilities and familiarize themselves with the academic environment. Opportunities for student involvement were presented, emphasizing the importance of active participation in various aspects of campus life.

A noteworthy aspect of the orientation was the emphasis on peer mentorship. Senior students played a crucial role in guiding and supporting their newly enrolled counterparts. This initiative not only facilitated a smooth transition but also created a sense of community and camaraderie among students.

The overwhelmingly positive feedback received highlighted the success of the program in providing a holistic introduction to postgraduate life. Participants expressed appreciation for the efforts invested in making them feel welcomed, informed, and ready for the academic challenges that lay ahead.

**INTERNSHIP ORIENTATION
PROGRAMME REPORT**

INTERNSHIP ORIENTATION

- **Introduction to Clinical Practice:**

- The "Internship Orientation" at M.A. Rangoonwala Dental College marks a pivotal transition for dental students from classroom learning to real-world clinical practice.
- It serves as a comprehensive introduction to their upcoming internship period.

- **Preparation and Expectations:**

- The orientation program is meticulously designed to prepare interns for their clinical responsibilities and expectations.
- It provides a clear understanding of the professional environment they will be entering.

- **Welcome and Address:**

- The orientation typically begins with a welcome address from the college's administration and internship coordinators.
- This establishes a warm and supportive atmosphere for the interns.

- **Clinical Workflow Overview:**

- Interns are given a detailed overview of the clinical workflow, including patient registration, examination, treatment planning, procedures, and documentation.
- This helps them understand the steps involved in patient care and management.

- **Patient-Centered Care:**

- The orientation emphasizes the importance of patient-centered care and effective communication.
- Interns learn to prioritize patient comfort, informed consent, and building rapport.

- **Ethics and Professionalism:**

- Discussions on ethical considerations and professional conduct are integral to the orientation.
- Interns are reminded of their responsibilities in maintaining confidentiality, integrity, and respect.

- **Clinical Procedures and Techniques:**

- The orientation includes demonstrations and discussions on various clinical procedures and techniques.
- Interns gain insights into performing treatments effectively and efficiently.

- **Safety Protocols and Infection Control:**

- Safety protocols and infection control measures are thoroughly explained to ensure interns' and patients' well-being.
- Proper usage of personal protective equipment (PPE) is emphasized.

<ul style="list-style-type: none"> • Supervision and Mentorship: <ul style="list-style-type: none"> • Interns are introduced to their supervising faculty members and mentors. • This establishes a support system for guidance, feedback, and learning throughout the internship.
<ul style="list-style-type: none"> • Case Discussions: <ul style="list-style-type: none"> • Case discussions and interactive sessions allow interns to analyze and plan treatment for various dental cases. • This enhances their clinical reasoning and decision-making skills.
<ul style="list-style-type: none"> • Emergency Management: <ul style="list-style-type: none"> • The orientation covers protocols for handling emergencies in the clinical setting. • Interns are trained to respond effectively to unexpected situations.
<ul style="list-style-type: none"> • Legal and Documentation Guidelines: <ul style="list-style-type: none"> • Interns receive guidance on maintaining accurate patient records, including treatment plans, progress notes, and consent forms. • They learn about the legal implications and importance of proper documentation.
<ul style="list-style-type: none"> • Interdisciplinary Collaboration: <ul style="list-style-type: none"> • The orientation highlights the significance of collaboration with other healthcare professionals in multidisciplinary cases. • Interns understand the benefits of integrated patient care.
<ul style="list-style-type: none"> • Q&A and Concerns: <ul style="list-style-type: none"> • A dedicated Q&A session addresses any queries or concerns interns may have. • This ensures that they feel informed and confident as they start their internship.
<ul style="list-style-type: none"> • Closing Remarks and Motivation: <ul style="list-style-type: none"> • The orientation concludes with closing remarks, motivational messages, and encouragement from faculty members. • Interns are reminded of the value they bring to the dental profession.

In summary, the "Internship Orientation" at M.A. Rangoonwala Dental College is a comprehensive program that equips interns with the knowledge, skills, and mindset needed for successful clinical practice. Through a combination of theoretical sessions, demonstrations, discussions, and mentorship, interns are well-prepared to provide quality patient care, adhere to ethical standards, and navigate the challenges of real-world dental practice.

INTERNSHIP ORIENTATION PROGRAM REPORT

Date: February 5th, 2019

Venue: Class Room No. 204

Purpose: To prepare Final-year B.D.S. students for their clinical internships.

Program Highlights:

The Internship Orientation Program held on February 5th, 2019, at M.A Rangoonwala Dental College in Classroom No. 204 marked a significant and thorough initiative directed at preparing final-year B.D.S. students for their upcoming clinical internships. The program covered a wide spectrum of crucial components, offering an introduction to clinical practice, guidance on professional responsibilities, and insights into the ethical aspects of dental care. Demonstrations of clinical procedures, a focus on safety protocols, and discussions on interdisciplinary collaboration contributed to a comprehensive and enriching learning experience. The orientation facilitated student-faculty interactions, case discussions, and a dedicated Q&A session, fostering a supportive and informative atmosphere. The program aimed to equip interns not only with practical skills but also with a patient-centric and ethical approach to clinical practice, laying a robust foundation for a successful internship journey.

INTERNSHIP ORIENTATION PROGRAM REPORT

Date: February 24th, 2020

Venue: Class Room No. 204

Purpose: To prepare Final-year B.D.S. students for their clinical internships.

Program Highlights:

Conducted on February 24th, 2020, at Classroom No. 204, the Internship Orientation Program at M.A Rangoonwala Dental College was a significant initiative for final-year B.D.S. students, gearing them up for their imminent clinical internships. Covering a diverse array of vital elements, the program introduced students to clinical practice, provided guidance on professional responsibilities, and delved into the ethical dimensions of dental care. Demonstrations of clinical procedures, a strong emphasis on safety protocols, and discussions on interdisciplinary collaboration added depth to the educational experience. The orientation offered students opportunities to engage with supervising faculty, participate in case discussions, and seek clarification through a dedicated Q&A session. With its supportive and informative approach, the program aimed to not only impart practical skills but also instill a patient-centric and ethical perspective in students, laying a solid groundwork for a successful internship journey.

INFECTION CONTROL AND BIOMEDICAL WASTE MANAGEMENT

SPEAKER : Dr. Geeta Chitre (M.D. Microbiology)

This ICBMW Value added Course aims to keep dental practitioners up-to-date practices related to the safe management of biomedical waste and effective infection control measures. The Course extends an invitation to all Undergraduate and Postgraduate Students.

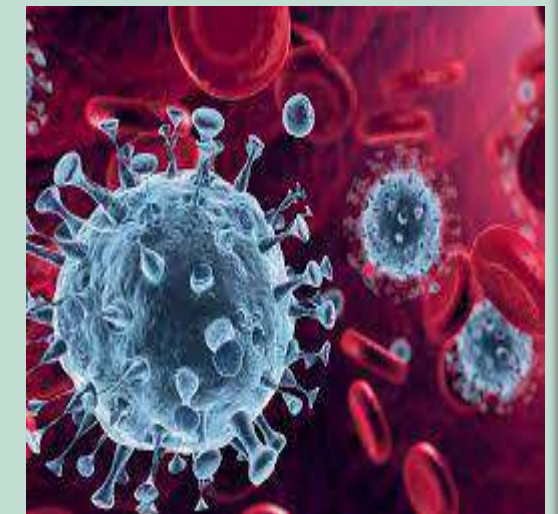

Topic: INFECTION CONTROL AND BIOMEDICAL WASTE MANAGEMENT

Date: 25th March to 27th March 2019, Time :8.30 am onwards

Venue : Class room 204, M.A. Rangoonwala Dental College.

For registration contact: Dr.Anand Kalaskar - +919623104132

Sanjivani Mane- +919096042579

DAY -1 25TH MARCH 2019

Registration and Breakfast 8.30 am to 9.00 am

Infection control: Definition & History 9.00am to 10.00am

Standard Precautions 10.00am to 11.00 am

Inauguration and Tea break 11.00am to 11.30am

Hand Hygiene 11.30am to 12.30pm

PPE (Personal Protective Equipment) 12.30 pm to 1.30 pm

Lunch Break 1.30 pm to 2.30 pm

Steps of Donning & Doffing 2.30pm to 3.30 pm

DAY 2 26TH MARCH 2019

Breakfast 8.30 am to 9.00 am

Blood spill management 9.00am to 10.00am

Airborne precautions 10.00am to 11.00 am

Tea break 11 am to 11.30am

Safe disposal of sharps 11.30am to 12.30pm

Disinfection of medical equipments 12.30pm to 1.30pm

Lunch Break 1.30 pm to 2.30 pm

Care bundle approach 2.30pm to 3.30 pm

DAY 3 27TH MARCH 2019

☐ Breakfast 8.30 am to 9.00 am

Disinfection of hospital environment 9.00am to 10.00am

Disinfection of operation room 10.00am to 11.00 am

☐ Tea break 11.00am to 11.30am

Biomedical waste segregation 11.30am to 12.30pm

Biomedical waste management 12.30pm to 1.30pm

☐ Lunch Break 1.30 pm TO 2.30 pm

Surveillance and HICC (Hospital Infection control committee) 2.30 pm to 3.30pm

Q & A Session 3.30 pm to 4.30 pm

Department Of Gen.Pathology & Microbiology

Name Of the Program	Infection control and biomedical waste management
Total Number of student Participants	69
Duration of the event	15 hours

The Department of General Pathology and Microbiology successfully conducted a three-day Value-Added Course on "Infection Control and Biomedical Waste Management" at MARDC Pune. This course was designed to impart crucial knowledge to undergraduate (UG) students, with a total of 69 students attendance.

The course aimed to enhance the understanding of infection control practices and biomedical waste management, particularly in the context of dentistry. Throughout the three days, the course covered a comprehensive range of topics related to infection control and biomedical waste management. Dr. Geeta Chitre, a distinguished guest speaker, played a pivotal role in the subject matter.

Her expertise and detailed explanations greatly enriched the learning experience. On the final day of the course, a descriptive test worth 20 marks was administered to evaluate the students' understanding of the material. It is worth noting that a majority of the students performed exceptionally well, demonstrating a high level of comprehension. This highlights the effectiveness of the course in imparting
