Respected Sir,

With reference to the above cited subject, Dental Council of India nominated Vendor to our Institution for Biometric Machines Installation & recording the Biometric registration for faculty & PG Students of our College, but only 19 staffs were registered & remaining all staff was not registered due to network problem. Many times we contacted the concerned person but no response from their side. On the Dental Council of India New Delhi Website, it is showing that our biometric registration is completed but actually only 21 staff have been registered.

I kindly request you, to please inform concerned vendor to complete the remaining registrations as early as possible.
