## M.A RANGOONWALA COLLEGE OF DENTAL SCIENCES AND RESEARCH CENTRE, PUNE.

### A field trip at the biomedical waste management centre

On 7/6/22, MA Rangoonwala dental College held a field visit to the bio medical waste management center managed by the Pune Municipal corporation (PMC) in Pune. The event showcased the necessity of biomedical waste management and gave an insight to how one must ensure efficient and safe waste disposal. The centre was equipped with state of the art machinery along with a well trained staff who guided us and showed us the various techniques and methods of disposal.

The event was a success with over 30 volunteers including students and staff.

By the end of the event we were left with an understanding of the importance of biomedical waste management and how to play a role as dentists to ensure we perform our duty with responsibility and safety.

Report by Dr Rahul Kale,

Programme Officer (NSS)
