

M.A. RANGOONWALA COLLEGE OF DENTAL SCIENCE AND RESEARCH CENTRE, PUNE

N.S.S. Unit of M A Rangoonwala College Of Dental Science & Research Centre hosted a vibrant and impactful organ donation rally on 3/8/23. The event aimed to raise awareness about the importance of organ donation, dispel myths, and encourage individuals to become organ donors. It was organized in collaboration with various healthcare organizations and received overwhelming support from students, faculty, and members of the local community.

Engaging and informative booths were set up to provide participants with in-depth knowledge about different types of organ donations, the donation process, and the impact of one organ donor on multiple lives. A major objective of the rally was to encourage attendees to sign up as organ donors. Organizers facilitated an on-site registration drive to make the process quick and hassle-free. Awareness campaigns were set up throughout the campus to capture attention and spark conversations on the importance of organ donation. With slogans "Be a hero, be an organ donor" "Life is a gift, pass it on". Skit was organised by the NSS Committee regarding the importance of Organ transplant, highlighting how organ donation had positively impacted people life's . The event received extensive media coverage, by online platforms like Instagram. This helped extend the message to a wider audience and create a larger impact. The college community played a vital role in making the rally a success.

The organ donation rally at M A Rangoonwala College Of Dental Science & Research Centre was an enormous success, with a significant number of attendees showing interest in becoming organ donors. By raising awareness and dispelling misconceptions surrounding organ donation, the event took a positive step towards fostering a culture of organ donation in the community. The enthusiasm and commitment displayed during the rally serve as a beacon of hope for patients awaiting life-saving transplants. The event undoubtedly left a lasting impression on all those who participated and reinforced the value of organ donation in saving lives.
