Report of Disaster Management program

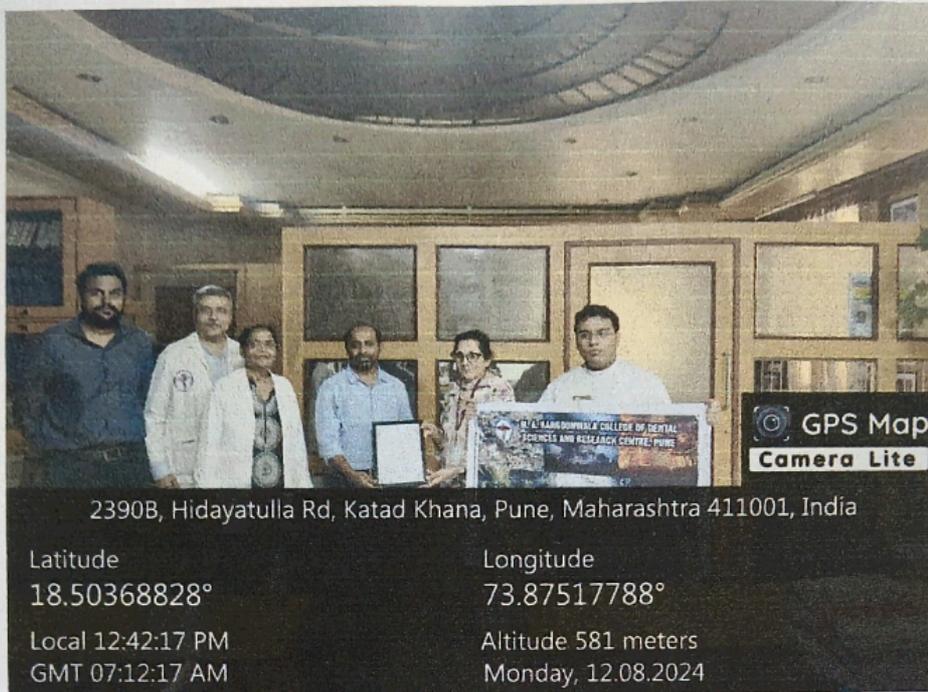

Climate change is the reason for various natural calamities. These are mainly man made. Humans must adapt themselves for their survival from such natural disasters. The college has organized a lecture on disaster management to have a brief outline on how to act at such events, Renowned personality, Dr Shirish Rawan was invited as a guest speaker. He had worked for the United Nations, IISER, ISRO and been working for creating awareness for such natural calamities. The event was organized at PAI auditorium. The speaker was introduced by Dr Nikhil Diwan. Dr Ramandeep Dugal felicitated the speaker. The program was attended by the Vice Principal, Director of administration, heads of department and many students attended the lecture. This was followed by a brief question and answer session. The third BDS students presented a skit on disaster management after the lecture. This event was applauded by all the participants.
